

## MANUREWA 24/7 RAIL CONSTRUCTION WORKS

April 2026

Dear neighbour,

KiwiRail is readying the Auckland rail network to prepare it for the more frequent trains the City Rail Link (CRL) will bring when it opens later this year and to make train travel more resilient and reliable. We are progressing construction works in South Auckland.

**During the long Anzac weekend** (see dates right), **KiwiRail will progress an upgrade of our rail infrastructure in Manurewa** and renew some drainage.

We will use sites on Beatty Ave and Jutland Road for materials storage (laydown areas as marked in the map - overleaf) and our teams will use Beatty Ave to access the rail corridor. Please exercise caution when in these areas and follow the signs.

The nature of the work means it can only be undertaken when there are no passenger trains running. There will be a full Auckland rail network closure from 2pm on Saturday 25 April until 6pm on Monday 27 April.

Please check the AT Mobile app or visit the Auckland Transport website to plan your travel [at.govt.nz/journeyplanner](https://at.govt.nz/journeyplanner)

This project is part of KiwiRail's work to prepare Auckland's rail network for increased services, shorter journeys, and more frequent trains as part of the CRL.

### What we are doing:

KiwiRail teams are upgrading rail infrastructure to improve the reliability and resilience of the rail network and allow more frequent trains. We are installing modern drainage and replacing and tamping down new ballast, the rocks the rails sit on.

### Upcoming dates

24/7 construction works to upgrade Manurewa rail infrastructure:

- **2pm on Saturday 25 April to 6pm on Monday 27 April** (Anzac long weekend)

If you have any queries about our work, contact our Community Engagement Team via [contactus@kiwirail.co.nz](mailto:contactus@kiwirail.co.nz) or 0800 801 070 ext 43042

To find out about your public transport options during the Rail Network Rebuild visit [www.at.govt.nz](https://www.at.govt.nz) or call 09 366 6400.

## ABOUT THE CONSTRUCTION SITE

### How this affects you:

There will be noise from machinery and heavy vehicles moving around as well as bright lights to allow our people to work safely at night and KiwiRail teams moving around the area.

Our staff are mindful of our neighbours and will work to minimise any disturbance. Wherever possible staff will aim to carry out noisier works during the day. However, despite their efforts this work may cause you some disturbance and we apologise in advance for this.

We will be using sites on Beatty Avenue and Jutland Road to store materials (see locations marked with orange on the below map). Our teams will also use Beatty Ave as an access point. Please exercise caution when in these areas and follow any signs.
