

Rail Network Rebuild

PARNELL WEEKEND DAY AND NIGHT RAIL WORKS

July 2025

Dear neighbour,

KiwiRail is continuing to rebuild and upgrade Auckland's rail network to make train travel more resilient and reliable and to prepare the network for the more frequent trains the City Rail Link (CRL) will bring when it opens next year. We are undertaking major track works in Parnell to prepare for CRL.

On alternate weekends (see left) from late July until late September, we will be upgrading drainage in the rail corridor near your property. Parnell Station and Sarawia Street, Newmarket, will be used as access points for our vehicles. **Some of this work will happen at night (between 2am and 11pm) so we can complete it as quickly as possible.**

This Rail Network Rebuild (RNR) work will make the rail network more resilient to weather events. To find out more visit kiwirail.co.nz/aklrailrebuild.

Upcoming dates

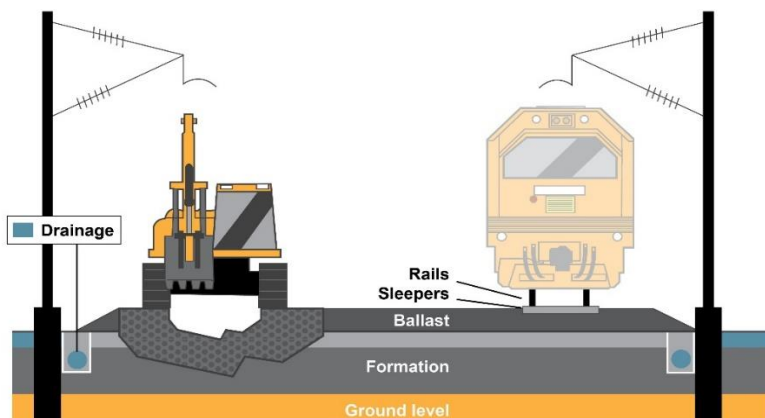

Construction work: 2am
Saturdays - 11pm Sundays

- Saturday 26 July – Sunday 27 July 2025
- Saturday 9 August – Sunday 10 August 2025
- Saturday 23 August – Sunday 24 August 2025
- Saturday 20 September – Sunday 21 September 2025

What we are doing:

The RNR programme is improving rail's reliability, allowing for more frequent trains and improving the ride for passengers. It involves the following steps:

- Using small excavators to dig alongside tracks to install drainage pipes
- Specialist trucks to remove excavated material and backfill excavations
- Final tidy up of work areas and around the two access points.

If you have any queries about our work, contact our Community Engagement Team via contactus@kiwirail.co.nz or 0800 801 070 ext 43042.

To receive future work notifications by email, send your address with your details to the contacts above.

Thanks for your patience while we carry out this important work - The KiwiRail team.

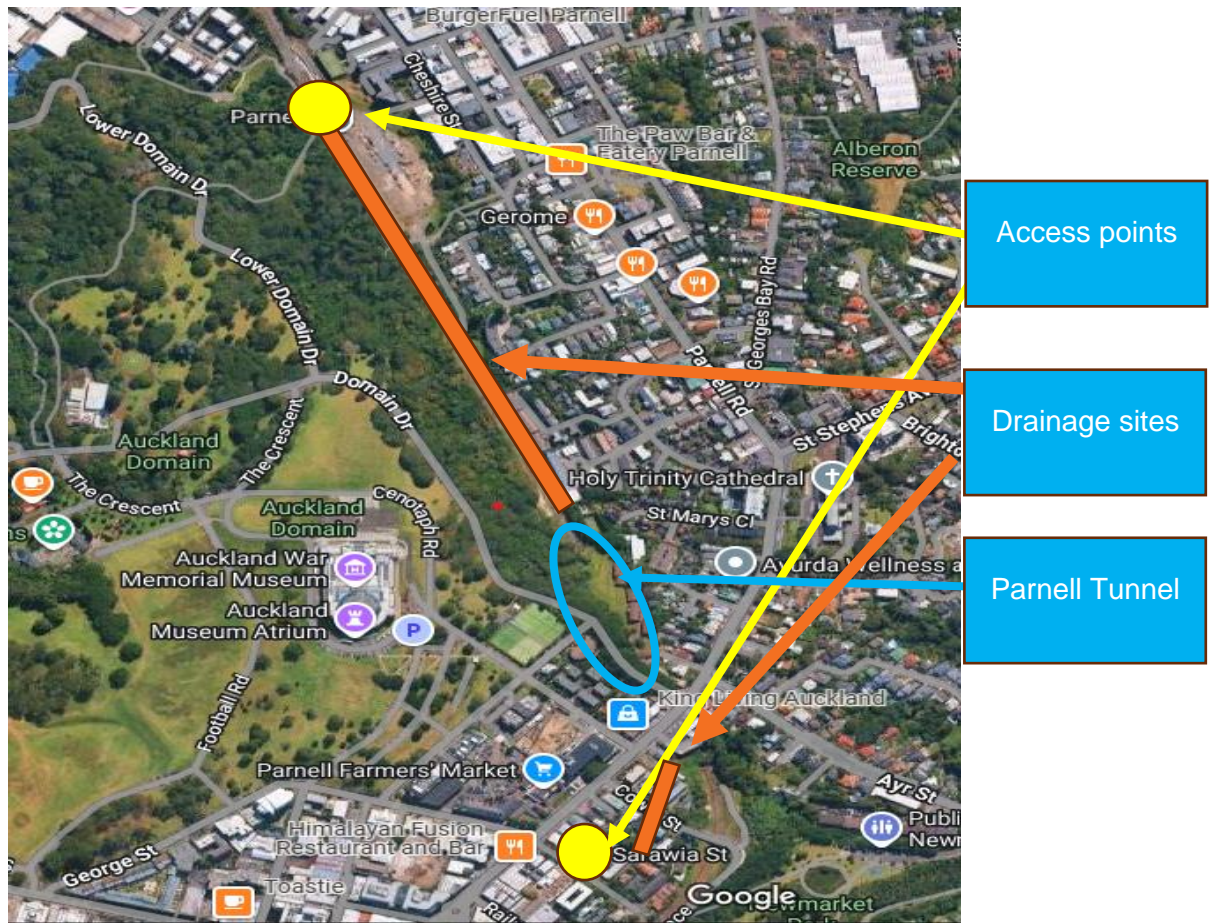

KiwiRail 

LOCATION OF PARNELL RAIL WORKS

What this means for you

During this work there may be noise, dust, vibrations and lights needed to keep the workers safe at night. Our teams are mindful that they are working in residential areas and will do their best to keep the disruption to a minimum. However, despite their efforts this work may cause you some disturbance and we apologise in advance for this.

There will also be increased vehicle movements near Parnell Station and Sarawia Street so please take extra caution when in these areas. Work areas and these two access points are shown in the map below:

Alongside this work to upgrade drainage, KiwiRail will continue cleaning the inside of Parnell Tunnel, which links Newmarket Station to Waitemata Station (Britomart). When cleaning is completed, the team will then make necessary repairs inside the tunnel. Arrangements for this work are still being made; we will inform you of them closer to the time.
