

Rail Network Rebuild

MANUREWA RAIL WORKS: 24/7 CONSTRUCTION

May 2025

Dear neighbour,

KiwiRail is rebuilding the rail network in your area to make rail travel more resilient and reliable and to prepare for the faster, more frequent trains the City Rail Link (CRL) will bring when it opens next year. We are undertaking a major upgrade of our rail network between Papakura and Wiri, including Manurewa.

Over two forthcoming long weekends, King's Birthday and Matariki, we will be digging up and replacing the foundations under the tracks in the rail corridor near your property. These works will happen day and night so we can complete them as quickly as possible. Myers Road and Spartan Road will be used as access points for vehicles needed for this work.

The pedestrian crossing at Te Mahia station, between Ferguson Street and Great South Road, will be closed to pedestrians for the duration of the works.

This work is also likely to continue at this location over other rail closures scheduled for later this year during school holiday periods.

The rebuild work replaces aging foundations under the tracks and upgrades drainage to make them more resilient to weather events. The work allows trains to be more reliable and helps get the network ready for the CRL.

What we are doing:

The Rail Network Rebuild work will improve reliability, allow more frequent trains and improve the ride for passengers. The work involves the following steps:

- Cutting and removing existing track and sleepers
- Using small excavators to build new drainage structures
- Digging up and rebuilding foundations, excavating and replacing ballast
- Laying tracks and sleepers, connecting, re-aligning and balancing tracks.

Upcoming dates*

- **King's Birthday weekend:**
7am Friday 30 May – 6pm
Monday 2 June: 24/7 works
- **Matariki weekend:** 7am Friday
20 June – 4pm Monday 23
June: 24/7 works

Night works – what you can expect

We are undertaking major track works in your area. During this work there may be noise, dust, vibrations and lights needed to keep the workers safe at night. Our teams are mindful that they are working in residential areas and will do their best to keep the disruption to a minimum. However, despite their efforts this work may cause you some disturbance and we apologise in advance for this.

There will also be increased vehicle movements near Myers Road and Spartan Road so please take extra caution when in the area. Work areas and the Myers Road and Spartan Road access points are shown in the map below.

Pedestrian crossing at Te Mahia station closed

Pedestrians will not have access to the pedestrian crossing at Te Mahia station, between Ferguson Street and Great South Road, for the duration of the works.
