

GLEN EDEN RAIL WORKS

June-July 2026

Dear neighbour,

KiwiRail is rebuilding the rail network in your area to make train travel more resilient and reliable and to prepare for the more frequent trains the City Rail Link (CRL) will bring when it opens later this year.

In coming days (see dates right), KiwiRail will undertake some drainage works on the Western Line between West Coast Road and Rua Road in Glen Eden. This work will be during the days only.

We will use a location off Rua Road to access the rail corridor; please use caution when in the area.

This project is part of KiwiRail's work to prepare Auckland's rail network for increased services, shorter journeys, and more frequent trains as part of the CRL.

What we are doing:

KiwiRail will improve reliability and allow more frequent trains by installing modern drainage.

This work will only take place during daylight hours and is unlikely to be noisy, though there's likely to be an increase of rail vehicles in the area.

Upcoming dates

Construction works on the Western Line:

- **Wednesday 10 June to Friday 3 July** – dayshift only (7am to 6pm)
