

TUHIMATA PEDESTRIAN LEVEL CROSSING WORKS

December 2025

Dear neighbour,

Our teams will be carrying out track rerail works on the Tuhimata pedestrian level crossing.

This work will take place from **Wednesday 14 January to Friday 16 January during dayshift hours (6am-6pm)**, however, the level crossing will be closed to pedestrians throughout the entire duration.

What we are doing:

We will be replacing existing rail. This will be intensive work involving rail grinding, cutting and welding.

Teams will be cutting and removing existing rail, replacing it with new rail and finally welding the new rail together and grinding it to the correct shape.

How this affects you:

There will be noise from heavy machinery, bright lights and vehicles moving around.

Our staff and contractors are mindful of our rail neighbours and will work hard to minimise any disturbance, to get this essential work done as quickly and quietly as possible. However, despite their best efforts, this work may cause you some disturbance and we apologise for the inconvenience.

Upcoming Dates

**Wednesday 14 January -
Friday 16 January**

6am- 6pm – level crossing works

24/7 – level crossing closure
