

DRURY RAIL DESTRESS WORKS

June 2026

Dear neighbour,

Our teams will be carrying out rail destress work in the rail corridor by Sutton and Opaheke Road, Drury over the Matariki weekend.

This work will take place during the day from **6am - 6pm, Friday 10 July – Sunday 12 July.**

Teams will be accessing the rail corridor via Sutton Road.

What we are doing:

Teams will be carrying out destress works which involve cutting and stretching a section of rail to relieve stress and reduce the risk of buckling or cracking.

Our staff and contractors are mindful of our rail neighbours and will work hard to minimise any disturbance, to get this essential work done as quickly and quietly as possible. However, despite their best efforts, this work may cause you some disturbance and we apologise for the inconvenience.
