

RAIL WORKS NOTIFICATION - PAERATA

March 2026

Dear neighbour,

Our teams will be carrying out track maintenance work near your property throughout the upcoming Easter rail closure.

Teams will be on site from **6am – 6pm between Friday 3 April and Monday 6 April.**

The work is expected to take place during dayshift only; however, some night works may be required and we apologise in advance for any disturbance this may cause.

What we are doing:

Teams will be undertaking track rerail work to remove track defects.

This involves removing a section of old rail and replacing it with new rail before securing the new infrastructure back into place.

This will be intensive work, involving rail grinding, cutting, and welding.

How this affects you:

There will be noise from heavy machinery, staff and vehicles moving around.

Our staff and contractors are mindful of our rail neighbours and will work hard to minimise any disturbance, to get this essential work done as quickly and quietly as possible. However, despite their best efforts, this work may cause you some disturbance and we apologise for the inconvenience.

Upcoming Dates:

**6am – 6pm: Friday 3 April –
Monday 6 April**

Find out more

If you have any queries about our work, contact our Community Engagement Team via contactus@kiwirail.co.nz or 0800 801 070 ext 43042.

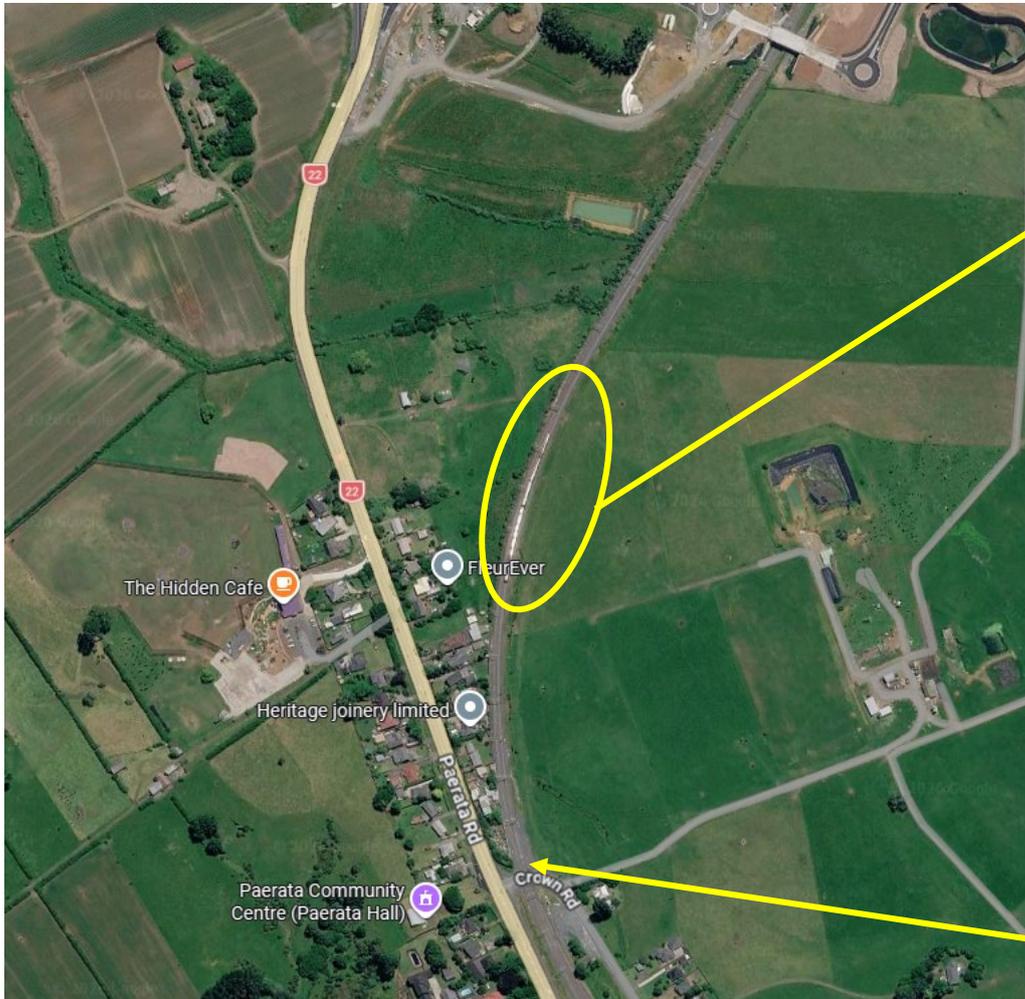

RAIL WORKS NOTIFICATION - PAERATA
