

WALTERS ROAD LEVEL CROSSING CLOSURE

October 2025

Dear neighbour,

KiwiRail will be undertaking track work on the Walters Road level crossing, Takanini. Work is scheduled to begin at 6pm Thursday 23 October and complete by 6pm Monday 27 October 6pm

During this period, traffic management will be in place, and the level crossing will be completely closed to both vehicles and pedestrians. Access to residential and commercial properties will remain throughout.

Detours will be clearly signposted; please ensure you follow the signage.

We ask that you exercise caution in the area, as there will be an increased presence of machinery and trucks.

Our staff and contractors are mindful of our rail neighbours and will work to minimise disruption where possible. We apologise in advance for any disturbance and appreciate your patience as we carry out this essential upgrade.

Please note, as part of Auckland Transport's Takanini Level Crossing project, engineers will also be carrying out investigation works during the day within the rail corridor as they plan for the new bridges to replace level crossings in the area.

Upcoming Dates

24/7 works:

6pm 23 October – 6pm 27 October
