Complete Pre-Enrolled Online Courses / Revalidations

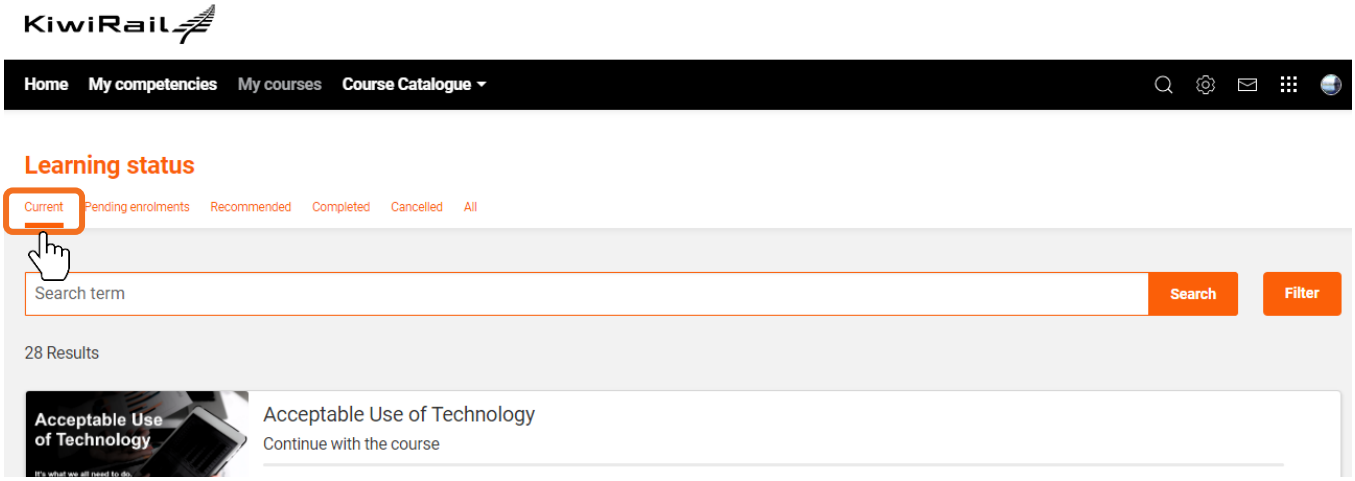

KLE
USER GUIDE

1 Select **My Courses** located along the top menu.

2 All courses you are enrolled onto, are listed under **Current**.

These courses may be revalidations needing to be completed, or courses that you have been identified for. Scheduled face to face courses will also be listed here until completed.

3 To view courses pending enrolment confirmation, or that you have already completed, switch between any of the learning status options.
